Available for Pre-order from Amazon.com Featured Price for Longman Preparation Course for the TOEFL iBT Test with Answer Key [Phillips, Deborah] The TOEFL iBT® test is a standardized measure of English language ability, developed by ETS, that is widely used in admission to the University of California, as well as by most other US colleges and universities. This book is the only study guide that provides authentic TOEFL iBT test practice material, including all the questions that appear on the test, which makes it a perfect tool for preparation. The sections in this book are: a complete TOEFL iBT® test with all the tests that appear on the test, a long-form reading comprehension section, a short-form reading and grammar section, and the matching-style writing section. For users who have difficulty in understanding the TOEFL iBT test with all its complexity and the language used, this book provides the optimal guidance to become a candidate who can manage this test with ease. This book also provides a pre-written, detailed breakdown of all the sections of the test. At the end of each section there is a detailed

note which provides a review of the answers and provides full marks for the test. A Complete TOEFL iBT Test with All the Tests that Appear on the Test: The book provides the complete TOEFL iBT test with all the tests that appear on the test. The answer key provided is the same as that of the actual test, and thus it is a perfect way to study for this test. Section 1 - Reading Comprehension This section contains questions pertaining to various reading passages. Section 2 - Reading and Grammar This section contains questions that test your ability to comprehend and manipulate the language required for a full-length English language examination. Section 3 - Writing (Matching Style) This section contains questions that test your ability to write an essay of a given length in a particular style. Section 4 - Writing (Sentence Completion) This section contains questions that test your ability to write a complete sentence. The Test Bank section contains the same question types that appear on the test, so you can use this book as a study guide and answer key to help prepare for the test. The book provides the complete breakdown of each section of the TOEFL iBT test. The Answers/Mark 82157476af
